

VAAS

The interpretation of receiving a vase in a dream indicates that you will enjoy your family life, full of joy and satisfaction.

Our creation styled on a Scandinavian-themed pendant light aims to give you just that. Enjoy the ambience that the Vaas Pendant creates as you relax in the comfort of your own home with the warmth of your loved ones around you.

Made from a Glass Reinforced Concrete, these pendant lamps were used in several projects including the Renaissance Hotel in Illinois.

Inspired from Melbourne

Process	Hand Lay
Year of Design	2014
Material	Glass-Fibre Reinforced Concrete (GFRC)
Product Code	P-VS
Type	Pendant Light
Colour	Grey / White

Cleaning Instructions

Wipe with a clean cloth to remove any dirt or dust.
Use only lint-free cloths as fibres may be torn off when cleaning the rougher surfaces of Tamper and Vaas.

For stubborn marks, wash with warm water and a mild soap, and rinse with warm water.

Dimensions (mm)

Height 340
Diameter 240
