

GNOME

The Gnome Leather and Gnome Pixie was inspired by Gnome hats, the mythical creature has such a signature sense of style that we cannot help but adore. The leather finish on the Gnome creates a premium and classy feel in a design that screams whimsical!

Gnome Pixie comes in our signature style, one that is adored by many and takes it's charm and appeal from our ever so popular Luna Lana pendant lights. The knitted style is guaranteed to warm the hearts of many.

Gnome Leather and Gnome Pixie is the perfect lamp to add a dash of personality in your home office, or even a cosy reading lamp by your nightstand.
